

Warranty Extension

The following conditions must be complied with to obtain the warranty extension:

- Registration must be made on the internet page www.leica-geosystems.com/registration
- Registration must be made within 8 weeks of purchase date.
- The warranty extension excludes any accessories supplied.
- A claim under the extended warranty period must include the original receipt of purchase, which includes the date of purchase, and the registration voucher (a print-out of the confirmation page on the internet or the registration vouch sent by email).

The International Manufacturer's Warranty for Leica Geosystems products is valid for the whole warranty period. Further information on this can be found in the Operating Manual of your product or on the internet under www.leica-geosystems.com/internationalwarranty

Your details will only be used for registering your device and will not be passed-on to third parties.
